MORE INFO BELOW

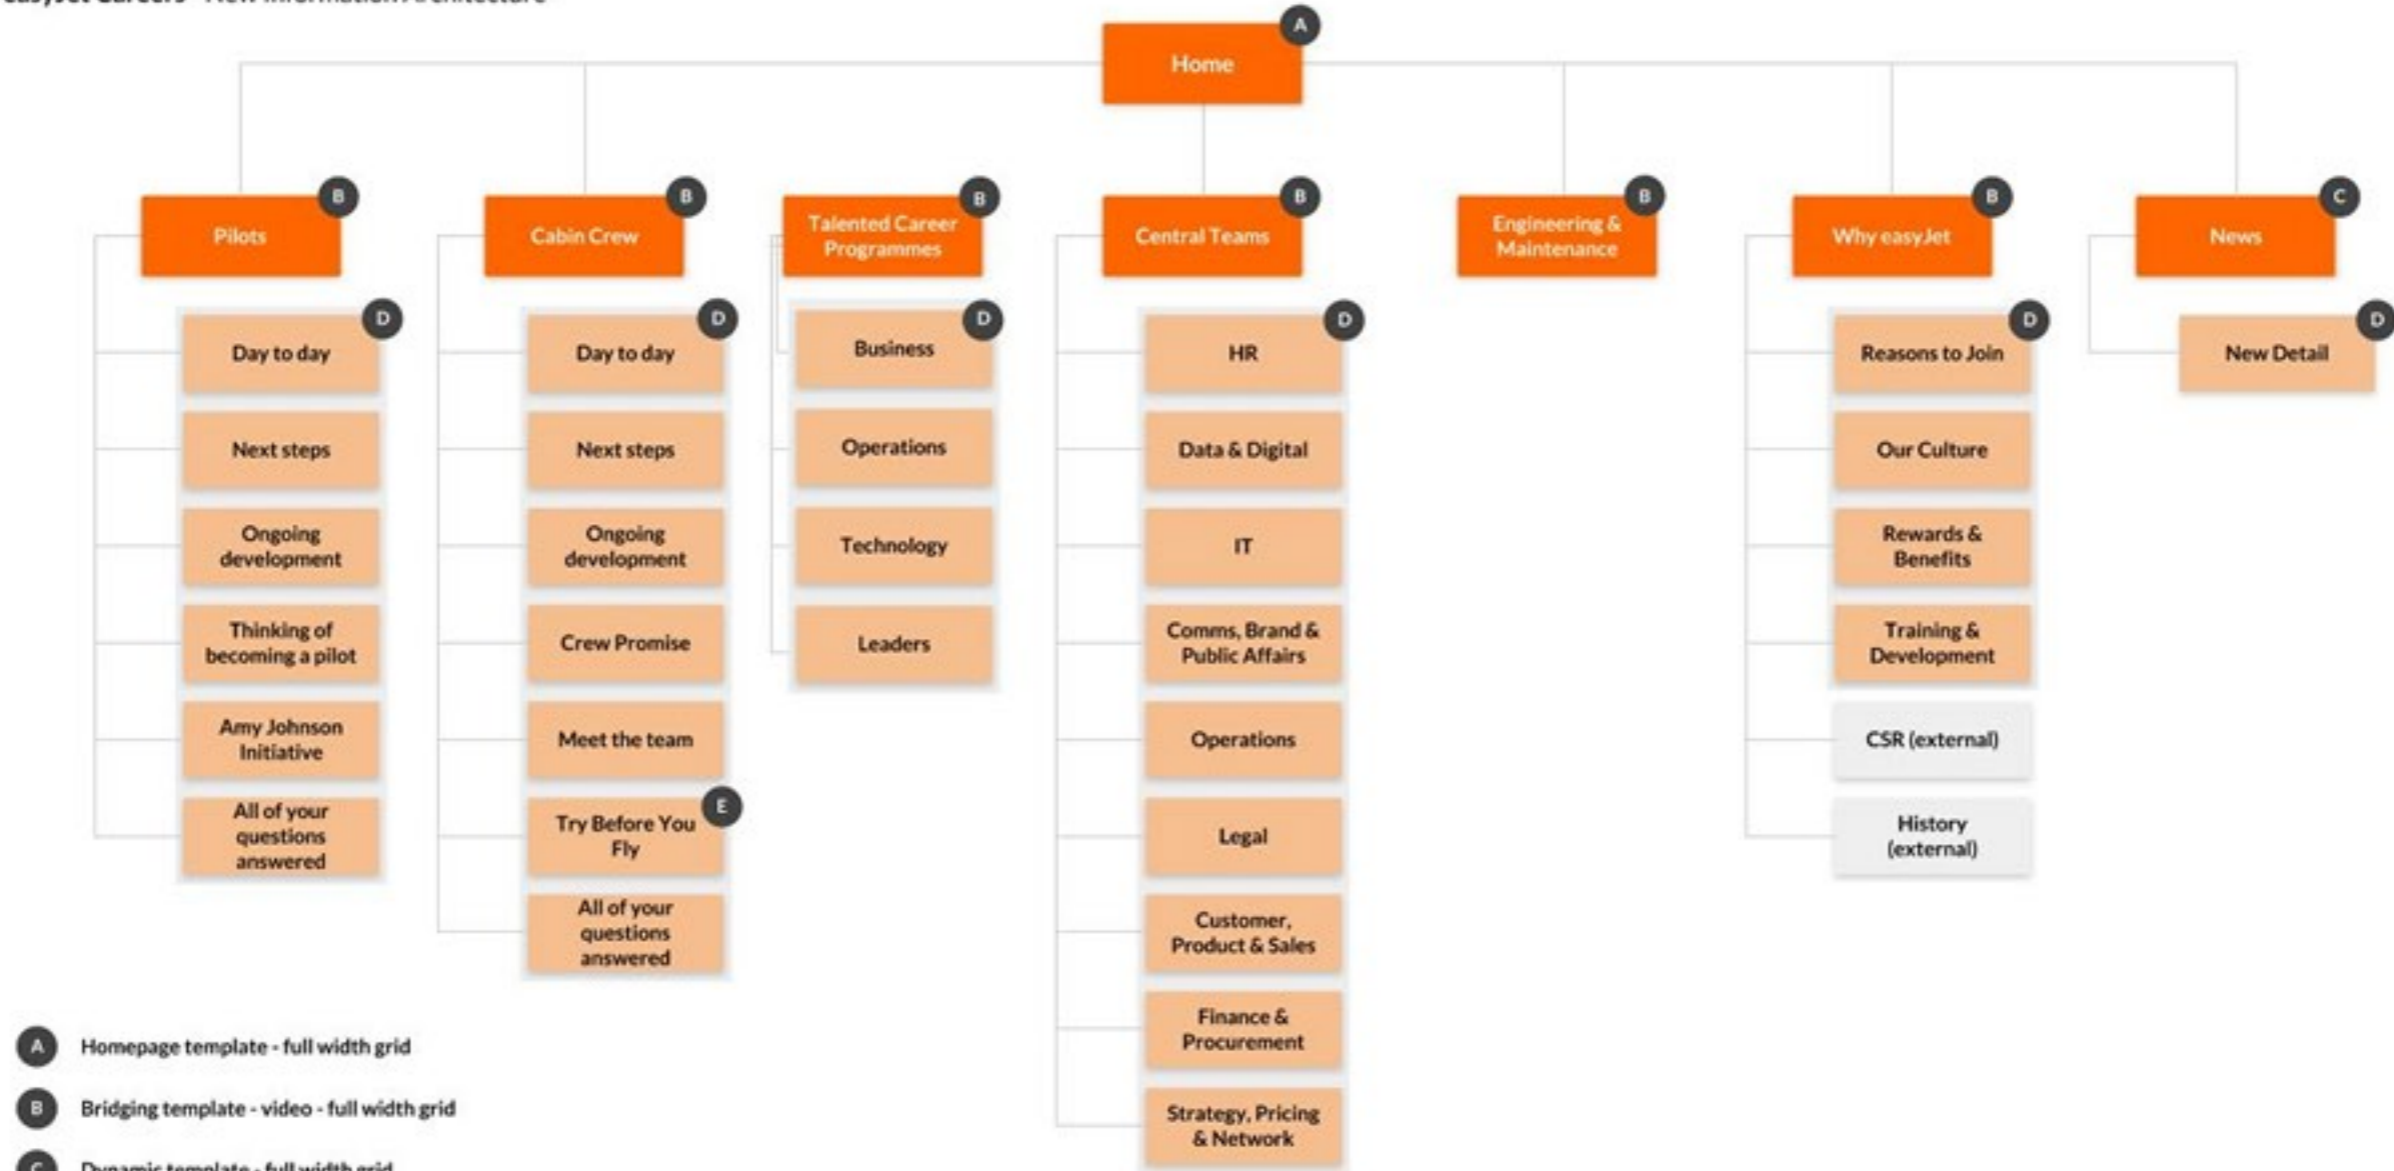

---

easyJet are a leading European point-to-point airline. Recruitment is critical to their ongoing success, and they invested accordingly in their careers website.

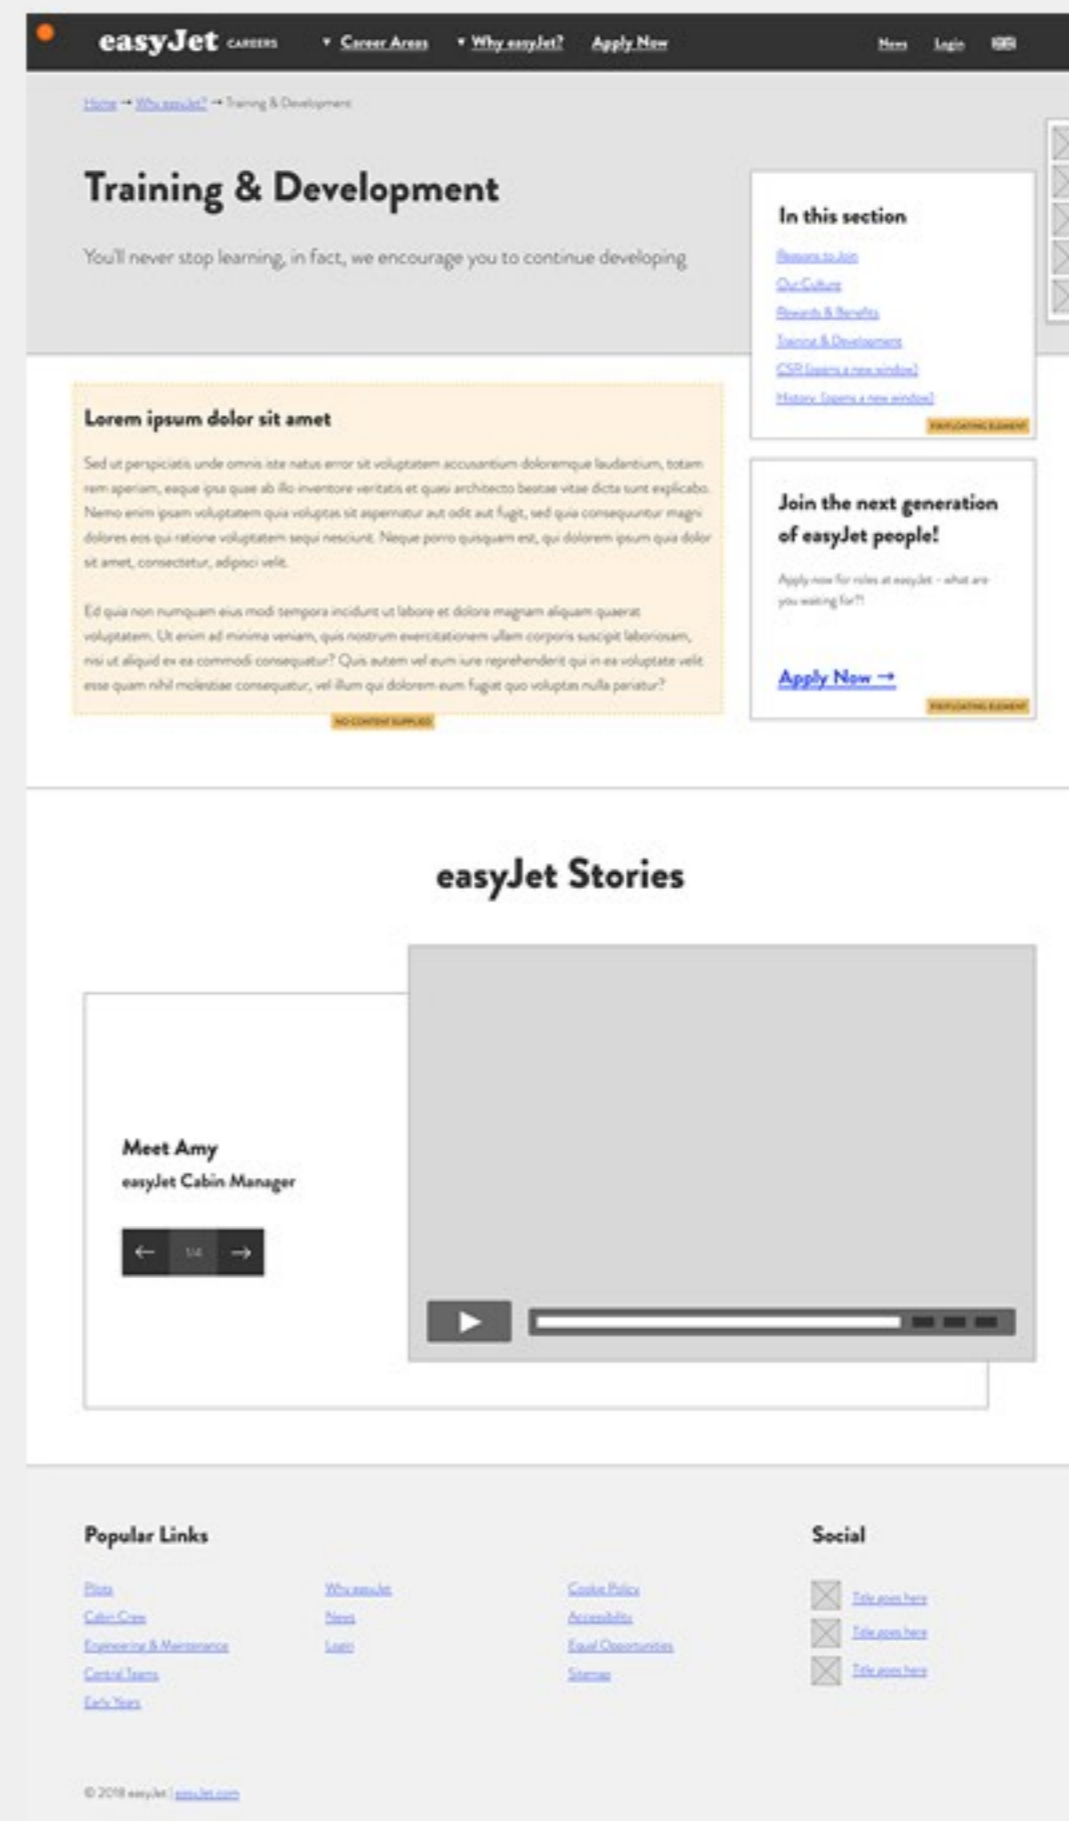

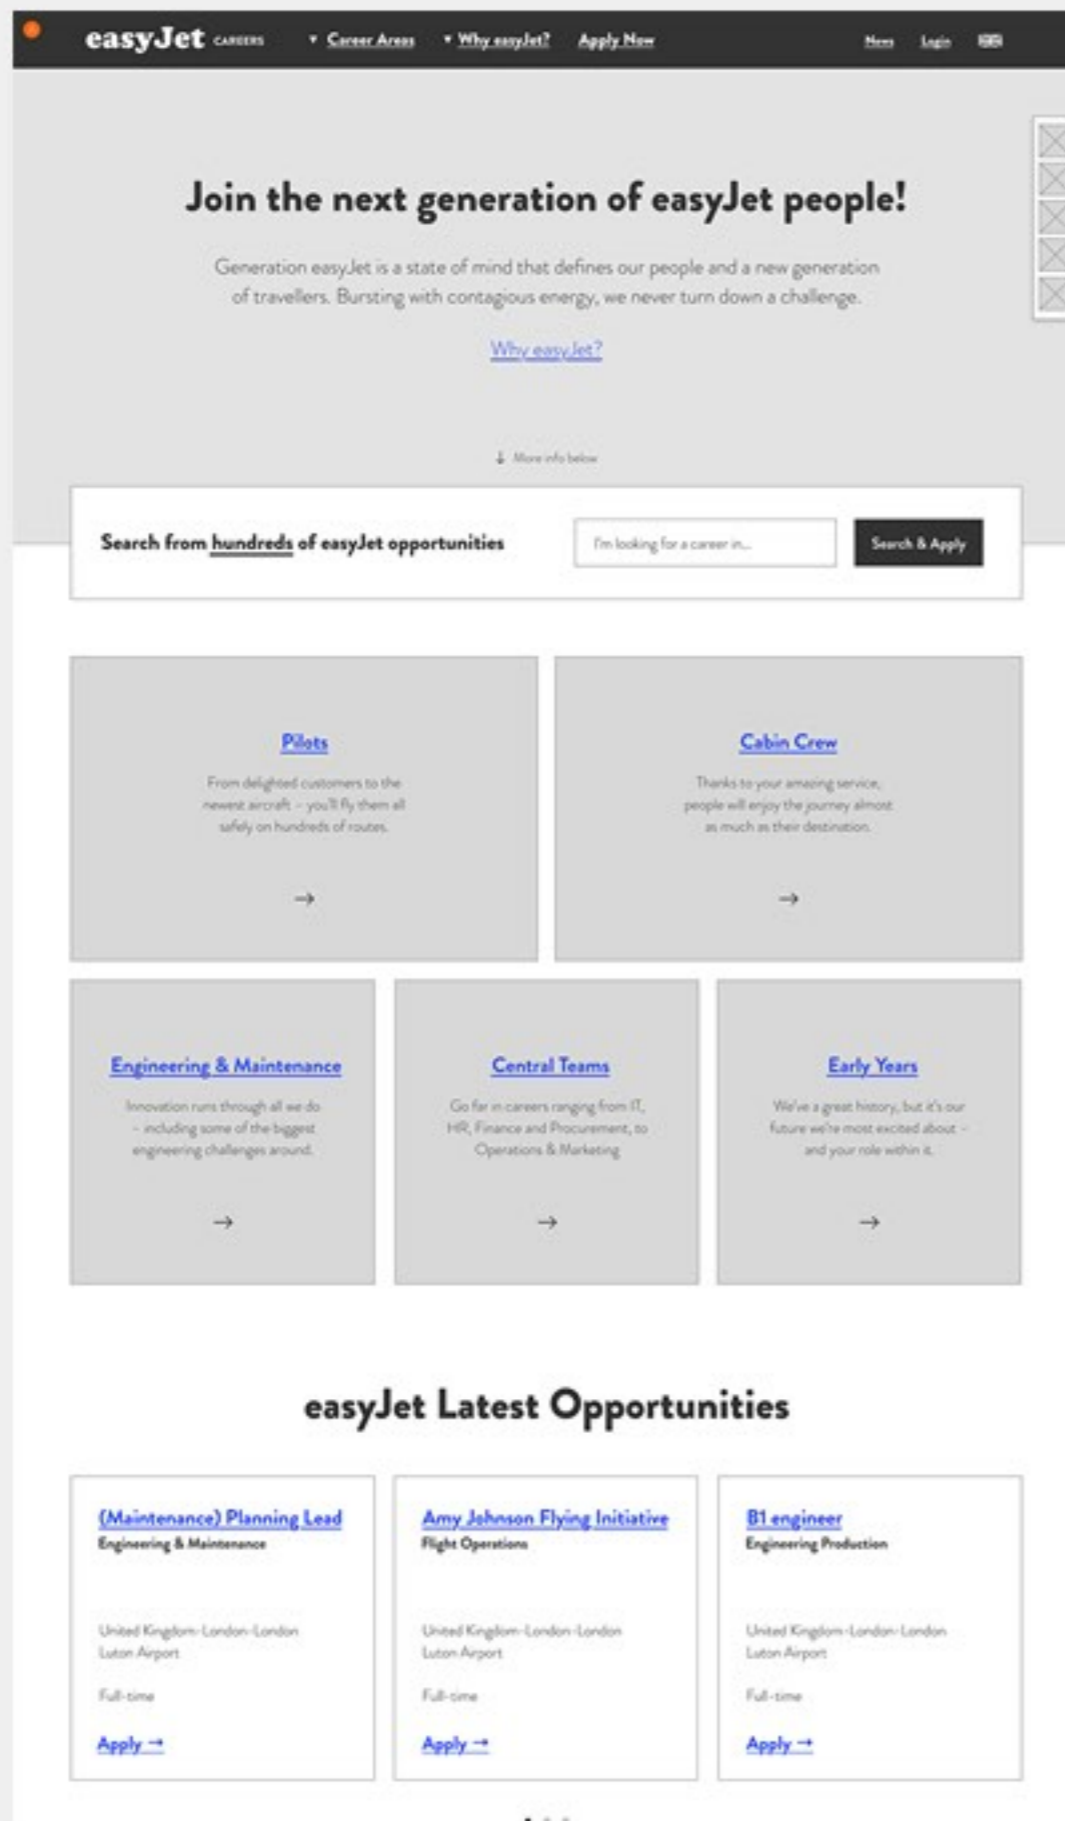

EPIK assisted SMRS in a complete overhaul of the website customer journey, focusing on increased applications and better representing the benefits in a career with easyJet.

### We're bigger than you think

Dynamic, forward thinking and a distinctive household name. We're a FTSE 100 company and the UK's largest airline.

### Our spirit of adventure

There's always a real buzz as we work together to revolutionise the future of air travel. Passionate, pioneering and bursting with energy & get-up-and-go, we make things as simple, safe and as easy as possible for our customers and colleagues.

### Growing Fast

Our business is expanding at an incredible rate – 7% on average year on year. So, we're looking for talented professionals to help fuel our growth and take us into the future. Our app has been downloaded by over 20 million people and in the UK easyJet is now the No1 search term for 'travel'.

### Valued for who you are

We encourage individuality, empower our people to seize the initiative and never stop learning from training courses to away days. We'll inspire you to realise your potential and put smiles on the faces of millions of customers. Here, the sky's the limit.

### We love what we do

If you share our Orange Spirit, you'll enjoy working with some of the smartest minds in our vibrant open place offices. Here, we'll listen to your ideas and turn them into reality as you play a big part in transforming our future.

### Great place to work

The pace is fast. Our culture is open. The rewards are great. And we have lots of fun too. Together we work as one team to keep transforming and go above and beyond to set the pace in a dynamic, fast-moving industry like no other. This is generation easyJet.
